## **DECLARATION AND POWER OF ATTORNEY**

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name,

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

## "CATHETER FOR MAGNETIC NAVIGATION"

Case No. <u>P04,0086</u> , the specification of w	hich	·
(check	is attached hereto. was filed on, as Application Serial No and was amended on (if applicable)	
I hereby state that I have revie including the claims as amended by any a		ontents of the above identified specification.
I acknowledge the duty to disclost to be material to the patentability of this 1.56(a).	se to the United States Paten application in accordance	at Office all information which is known to me with Title 37, Code of Federal Regulations
before my or our invention thereof, or pat our invention thereof or more than one ye in the United States of America more than been patented or made the subject of an country foreign to the United States of An more than twelve months prior to this app invention has been filed in any country for legal representatives or assigns, except as	ented or described in any property are prior to this application, a one year prior to this application in inventor's certificate issued and inventor and application file elication, and that no application to the United States of identified below:  enefits under Title 35, United States under Title 35, Unit	nown or used in the United States of America rinted publication in any country before my of that the same was not in public use or on sale cation, and I believe that the invention has no ed before the date of this application in any d by me or my legal representatives or assigna- tion for patent or inventor's certificate on this America prior to this application by me or my

(b) Under this section, information is material to record in the application, and  (1) It establishes, by itself or in combination		lative to information already of record or being made of a facie case of unpatentability of a claim; or

<sup>(2)</sup> It refutes, or is inconsistent with, a position the applicant takes in:

(i) Opposing an argument of unpatentability relied on by the Office, or

(ii) Asserting an argument of patentability.

A prima facie case of unpatentability is established when the information compels a conclusion that a claim is unpatentable under the preponderance of evidence, burden-of-proof standard, giving each term in the claim its broadest reasonable construction consistent with the specification, and before any consideration is given to evidence which may be submitted in an attempt to establish a contrary conclusion of

If no priority is claimed, I have identified all foreign patent applications filed prior to this application:
